

Panel 1: Multilevel Governance as an Enabler of Global Stability

Multilevel Governance and Stability: Connecting the Dots

Jamie Thomas
Forum of Federations

February 26, 2026

1

MLG & Stability: Determining Definitions?

MULTILEVEL GOVERNANCE ? **STABILITY**

2

MLG & Stability: Connecting the Dots

- ① **Importance of this connection in the current international climate**
- ② **Non-linear connections**
- ③ **Sober assessments**

3

Implications

Better positioning MLG to achieve “success” in fragile contexts

Clarity on application/development of MLG structures and processes in short term, medium term, and long-term timelines

Greater cohesion between donors, multilaterals, NGOs, and actors on the ground

4

Thank you!
